STORY SO FAR: It is an age when warriors rule. From the last words of her master, killed by Bai Wang's White Lotus Clan, Julin learns of her two sisters, each possessing a bell like her own, and so leaves on a journey to find them. And find them she does, though not without a few more attacks from the White Lotus Clan. They are on the oldest sister's pirate boat when Bai Wang and a masked man named Drake attack. When the dust settles, Drake holds both Kalin and Julin's bells, and Seilin's bell has fallen into Bai Wang's hands. Kalin and Julin travel to the White Lotus Clan's headquarters to retrieve their bells. There, Drake and Bai Wang duke it out, and in the process, Drake's mask comes off...revealing Kio! Seeing Julin, his memory returns, but a moment later, he is Drake again, and he escapes to Li Feng Peak, the two sisters and Bai Wang in hot pursuit. Bai Wang sends one of her White Lotus Four, Nini, to deal with Julin and Kalin and another, Kuichi, to deal with Seilin, who had been tracking her sisters. Facing her toughest adversary yet, Julin recalls the encouraging words of her master and Kio: she can do it if she tries! But will she be able to make a second Shaolin Stone Fist?!
